Dear Stone Families,

We extend our sincere appreciation to all families who have chosen for their loved one to celebrate the holidays here with us during a time when leaving campus increases the risk of COVID-19 exposure. Thank you for considering the health and safety of your loved one as well as the other Residents in our community. We look forward to celebrating the festivities we have planned.

Based on the climbing number of positive COVID-19 cases in Massachusetts, we strongly encourage families to schedule virtual visits via Zoom, FaceTime and Skype and are happy to coordinate these visits.

The health and safety of our Residents and Staff is our highest priority, and we continue to emphasize the importance of following safety protocols and guidelines throughout the holiday season.

We are truly grateful for your patience and understanding during this difficult time and wish you and your family safe and happy holidays.

Sincerely,

Nicholas Baker
Executive Director
