Dear Stone Families,

We deeply appreciate your ongoing commitment to the health and safety of your family member and all of the Residents in our community, and once again, we sincerely thank all families that have chosen for their loved one to celebrate the holidays here with us.

As the holiday season progresses, COVID-19 continues to present challenges and the need to exercise caution. It is important to reiterate our strong encouragement for scheduling visits via Zoom, FaceTime or Skype in place of physical gatherings. We are always happy to help coordinate these virtual visits. Please contact Amber Murray at amurray@StoneSeniorLiving.com to schedule a virtual visit with your family member. We look forward to sharing the festivities we have planned on campus to make this holiday season special for our Residents.

The health and safety of our Residents and Staff continues to be our highest priority, and we emphasize the importance of following safety protocols and guidelines throughout the holiday season.

Thank you for your understanding during this difficult time. We wish you and your family safe and happy holidays.

Sincerely,

Nicholas Baker
Executive Director
